

An architectural rendering of a modern residential building. The main structure is a multi-story building with a white facade and a curved roofline. It features extensive vertical greenery, with various plants and vines growing on the exterior walls. To the right, there is a tall, slender tower with a textured, perforated facade. The building is surrounded by lush greenery, including trees and shrubs. The sky is a mix of blue and orange, suggesting a sunset or sunrise. The overall aesthetic is clean, modern, and eco-friendly.
