DESCRIZIONE

... welcomed in an open space, the space is enhanced by the custom-made kitchen furniture, with dining table and small island with stools. The kitchen has two windows available. For this reason it is bright and easily ventilated. The environment is enhanced by the height of the ceiling, in fact, through a steel staircase, you reach the loft / study: it overlooks the kitchen, so it receives the lighting, but at the same time it is separated thanks to a ...

... wrought iron element which acts as a protective barrier and a decorative element. After passing the kitchen, we enter the heart of the house: the living area, the living room is open and airy thanks to the harmony that high ceilings provide. In the room there is space for the sofa, reading area, and mobile TV. A large double-height window illuminates perfectly. The bathroom is characterized by the large glass shower and suspended sanitary ware. Bedroom: ...
